10:00 AM till Noon

The Dalton Depot

110 Depot Street

Dalton, GA 30720-3202

Step Back...

... Into an era where fine food and fine service go hand in hand. Our restaurant has been a **Nationally Registered Site** since 1978. The building, which was begun in the fall of 1852, is one of the few depots in this area built before the Civil War.

The Depot is a full service, upscale dining, and casual atmosphere establishment. Our menu offers an exceptional array of selections.

Our food is prepared using only the freshest and highest quality ingredients available. It is then served by our friendly staff members who do justice to the effort that goes into its careful preparation.

It is our pleasure to offer excellent value and fine quality at a modest price. When you are in the North Georgia area, make the Dalton Depot your destination for a memorable dining experience.
